Principal's Address

Congratulations to Mrs Downes and the Year Fives and Sixes from Room 15 for hosting last week’s assembly. Their focus on Confidence and Resilience with the song The Middle and the message that everything will be alright, combined with fantastic choreography was a huge hit with the audience. There was a perfect example of the power of modelling when the pre-primary students mirrored the host class by standing without instruction. This is a lesson for all of us and reinforces the notion that our children are a product of their environment. At Tambrey we take great pride in our students and ensure our actions provide a positive role model for our community. The success of this endeavour is evident everyday as our students display beautiful manners, positive interactions with each other and represent our school proudly in the wider community. I thoroughly enjoyed my visit to the Leaders Day forum at the Pilbara Camp School. Faced with challenges that tested the physical resilience of our students as they worked collaboratively with other young leaders, our students gained an insight into the challenges of leadership. Their genuine appreciation for me popping out to see how they were going is a great virtue to have.

Solve the Mystery of the Whale Shark

We have expressed our interest in adopting a whale shark! Through ECO OCEAN’s Whale Shark Race Around the World we will be able to take part in ground breaking international research as we track our very own whale shark. There is a $5000 cost to be involved and depending on the success of our EOI, we will either have our own shark or share it among other schools in Karratha. Stay tuned for some fund raising initiatives. Our science specialist, Mrs Osborne, is very excited at the potential this opportunity provides.

Road Safety and Parking

Though it may not always seem like it, we do have good parking facilities and traffic flow at Tambrey, WA police are still working towards having a Traffic Warden appointed to us and have advertised to fill a number of positions in Karratha. If you are interested, please contact them on 6274 8731. Please continue to be mindful of the need for heightened awareness in the morning and afternoon as children cross roads. Parents and carers are reminded that the service entrance is for trades and service vehicles only. Lunches should be dropped off via the front office as all visitors must sign in so that we can carry out our duty of care to you as guests of our school. If there is an emergency, we need to know who is on school grounds.
Community Spirit

I am very much looking forward to Friday this week as we participate in Pink Stumps Day along with all of our Tambrey Team Players and also do our bit for Keep Australia Beautiful by cleaning up our school. I have a pink shirt ironed ready for the occasion and look forward to taking a classic catch in the outfield.

Troy Withers
Principal

Keep Tambrey Beautiful

Clean Up Day will be held on Friday 6 March. Please can children bring a plastic grocery bag to collect rubbish with their class. We do have a supply of rubber gloves but it would be appreciated if you have spares at home your child could use them. The school would willingly accept any spare rubber gloves you may be able to donate to the school for future “Clean Up” days.

Thank you!

Merit Certificates

Congratulations to the following students who received a merit certificate at the assembly held on Thursday, 26th February:

ECC1 Isabelle Butcher, Keane Auna
ECC2 Makynli Fitzgerald, Jett Wood
ECC4 Taj Kane, Macy Bruce
Room 1 Serayah Norris, Kayshaan Mowarin
Room 2 Ned Corfield, Kaden Crabbe
Room 3 Evan Ballantyne, Shayla Hymus
Room 4 Majella Lethbridge, Tia Gagliano
Room 5 Kylesha Abraham, Logan Forwood
Room 6 Alyssa Hiew, Ella Tink
Room 7 Jordi Perry, Georgie Pages
Room 8 Hannah Miles, Jarred Begg
Room 9 Reno McInnes, Tahlia Brown
Room 11 Poppy Sowden, Lachlan Pickles
Room 12 Hayley Brinham, Bailey Toy
Room 15 Mason Dunn, Patrick Bowman
Room 16 Patrick Jones, Alexis Pritchard
Room 17 Marcos Chisip, Jack Corfield
Room 18 Sophie Wakeling, James Dixon

Family Fitness Fun!

Hello to our Terrific Tambrey Families!

Please see below for our second workout. As stated in the last newsletter these workouts are designed for our Tambrey students to do at home with their families. I would love to have pictures emailed to me of families working together to increase their exercise so that I can publish them in the following newsletter.

Have fun,
Miss Harper
emma.harper@education.wa.edu.au

This can be repeated 2-3 times depending on fitness levels:

- 10 metre sprint
- (map distance out with 10 large steps)
- 20 step ups
- (can step onto a curb or chair etc)
- 10 metre sprint
- 10 frog hops
- 10 metre sprint

Pink Stumps Day

Tambrey Team Player Day, Friday 6 March

Tambrey PS will be holding a McGrath Foundation Pink Stumps Day, where the students will be participating in a cricket match against other students in their year level. Parents are invited to come in and support their children playing in the games (timetable will be available closer to the date).

Students will be asked to wear PINK to school and donate a gold coin for the cause.

The vision behind the McGrath Foundation is to raise awareness for people diagnosed with breast cancer and to raise enough money to enable every woman diagnosed with breast cancer the support of a Breast Care Nurse. We at Tambrey PS would like to help this cause by doing our part to fundraise. We have set up a webpage that you can go to if you would like to make an extra donation.

Thank you for your support,
GO TAMBREY!
Aussie of the Month

Congratulations to the following students who were awarded Aussie of the Month:

Junior Award: Maswa Nasraldin
Middle Award: Charlie Boyes
Senior Award: Ahila Park

Community Noticeboard

Steve 0439 736 729 or Louise 0439 736 769
ECC4

Awesome! Wow! What an amazing start to pre primary we've had!

We've been working hard on our Phonological Awareness skills, as well as learning lots of skills to become super Mathematicians! Here we are practicing writing the number 3. "Around the tree and around the tree. This is the way you make a three!"

ECC Tambrey Team Player Day

On Friday the 6th of March, 2015 Kindy and Pre Primary Parents are invited to join us for afternoon tea at 2:00pm in your child's classroom. We hope to see you there!
