

5.	NAPLAN Overview	Helen/Shiona	Helen shared the 2022 NAPLAN results and insights. Unfortunately, there is no comparative performance data available due to NAPLAN cancellation in 2020. Our goal is to be at or above like schools in all subjects. We achieved our goal in all but Spelling. To improve spelling performance, we are using "InitialLit" in PP to Yr2, trialling "MultiLit" in Yr3/4 and "Spelling Mastery" in Yr5/6. These are evidence-based programs providing large scale impact.	<ul style="list-style-type: none"> No action
