

Booklist information 2025

Dear Parents/Carers

Please find attached the booklist from Campion for your child for 2025. These have been thoroughly curated and proofed to include all the essential items for your child to engage in learning throughout the year.

In addition to the booklist items, the school purchases additional student workbooks required by each student to participate fully in our Reading and Spelling programs. These are high quality, evidence-based programs that are delivering improved outcomes for our students.

Additionally, families are required to purchase the workbook listed below for your child/ren *this year* and they will be delivered to your child's new class in week 1, 2025. Payments can be made via the QKR app, direct deposit (see below for bank details), or through the Front Office.

To further reduce costs for families, the school has removed some items from the booklist such as whiteboards, exercise books and headphones to allow for the purchase of the student workbooks outlined above.

**Headphones: Students moving from PP to Year 1 who purchased headphones as part of their 2024 booklist requirements are asked to take these with them on day 1 next year, clearly labelled.*

We thank you in advance for working with us in our work to ensure all Tambrey students have access to high quality educational outcomes.

Kind Regards
